

Call for Abstracts

Lumbar Spine Research Society 2nd Annual Meeting April 8-9, 2010

Abstract Deadline – Midnight December 31, 2009

We are formally soliciting abstracts for consideration for podium presentation at the 2nd Annual Lumbar Spine Research Society (LSRS) Meeting, to be held in Chicago from April 8-9, 2010

Abstracts should include an introduction, methods, results, discussion and conclusion section. They should be restricted to 350 type written words (font size 12) and include no more than one figure, image, table or graph.

Abstracts will be evaluated blindly by a minimum of 4 reviewers. Abstracts accepted for presentation will be presented at the podium. Each presentation is 8 minutes in length. Ample time for discussion is provided.

Abstracts should be submitted online to LSRSabstract@gmail.com by midnight December 31, 2009.

The LSRS is a society that is dedicated to the free exchange of scientific information related to, and the surgical management of, disorders affecting the lumbar spine.

For additional information regarding the society, please contact Amanda Cranney at cranney@ortho.wisc.edu.
