No Member shall receive any compensation for his services as such.

Active Members shall include individuals from North and South America. Active members shall also include up to 25 members outside of North America. Failure to comply with these requirements may result in forfeiture of Membership. Active membership is currently limited to 275 individuals from North and South America and may include up to 25 members from outside of North and South America who have demonstrated continuing interest in the cervical spine.

Senior Members shall include individuals from the North and South America who have formally retired from the active practice of medicine or research. Senior members' status may also be conferred at the discretion of the Board of Directors on those individuals who request such a change. Each Senior Member has a right to vote but does not have the right to hold office. Senior Members are not required to pay annual dues or to submit papers for presentation, but shall pay expenses for meetings attended on a pro rata basis.

Candidate Members shall include individuals from North and South America who show an active interest in disorders of the cervical spine. Individuals shall be within 5 years of completing their training program and be Board eligible. Upon completion of Board Certification, Candidate Members are required to apply for full Active Membership. Candidate Members have no voting rights and are not eligible to hold office. Attendance at a CSRS meeting is required within 3 years.

Corresponding Members shall include individuals from countries other than North and South America. Each Corresponding Member has the right to vote but does not have the right to hold office. Honorary Member status may be conferred at the discretion of the Board of Directors. An Honorary Member shall have the same rights and privileges as a Senior Member, but the Honorary Members shall not have the right to vote.

Requirements for Membership: The requirements for membership shall include completion of the application form. Those persons in the clinical practice of medicine shall be certified by the board representing their area of specialization. They shall have demonstrated a special interest in the cervical spine and have made a significant contribution in this area as demonstrated by research and/or publications, these factors to be evaluated by the Membership Committee and, if deemed necessary, the Board of Directors. People in the basic sciences shall be required to have an advanced degree in lieu of board certification. All applicants shall have attended at least one meeting and have been an author on a presented paper or poster. Three letters of recommendation from members are required. A personal interview may be requested by the Membership Committee. If an adverse decision is reached by the Membership Committee, a review by the Board of Directors may be requested. The decision of the Board of Directors is final. It should be noted that membership in the Society is considered a privilege and not a right. **Final Approval for Membership:** Final approval for membership on those names submitted by the Membership Committee at the annual business meeting will be by a majority of members in attendance at the annual meeting. **Change in Limitation of Number of Members of Society:** A majority of voting members at the annual meeting may vote an increase in the number of members in the Society, either on a temporary or on a permanent basis.

Section 2. DISCLOSURE AMENDMENT. All members shall disclose any personal or financial interest of conflicting fiduciary obligation that may introduce or be perceived to introduce bias. Disclosure information shall be updated annually.

Section 3. PLACE OF MEETING. All meetings of members shall be held at the principal office of the Society or at such other place as shall be stated in the notice of the meeting.

Section 4. ANNUAL MEETING. The annual meeting is to consist of scientific sessions and of business sessions. An annual meeting of the members for the election of directors, officers and members who shall serve on the Membership and Nominating Committees and the transaction of any business within the powers of the Society shall be held at such date and time as may be fixed by the Board of Directors.

Section 5. SPECIAL MEETINGS. The president or a majority of the Board of Directors may call special meetings of the members. Special meetings of members shall also be called by the secretary upon the written request of a majority of the entire membership of record. Such request shall state the purpose or purposes of such meeting and the matters proposed to be acted on thereat. The secretary shall inform such members of the reasonably estimated cost of preparing and mailing such notice of the meeting, and upon payment to the Society of such costs, the secretary shall give notice to all members stating the purpose or purposes of the meetings. No special meeting need be called upon the request of members entitled to cast less than a majority of all votes entitled to be cast at such meeting, to consider any matter which is substantially the same as a matter voted upon at any special meeting of the members held during the preceding twelve months.

Section 6. NOTICE. Not less than ten nor more than ninety days before the date of every meeting of the members, the secretary or his designated representative, shall give to each member written or printed notice stating the time and place of the meeting and, in the case of a special meeting or as otherwise may be required by statute, the purpose or purposes for which the meeting is called, either by mail or by presenting it to him personally or by leaving it at his residence or usual place of business. If mailed, such notice shall be deemed to be given when deposited in the United States mail addressed to the member at

his post office address as it appears on the records of the Society, with postage thereon prepaid, or when sent by electronic mail to an address provided by the member.

Section 7. SCOPE OF NOTICE. No business shall be transacted at a special meeting of members except that specifically designated in the notice. Any business of the Society may be transacted at the annual meeting without being specifically designated in the notice, except such business as is required by statute to be stated in such notice.

Section 8. QUORUM. At any meeting of members, the presence in person or by proxy of 25% of the members entitled to vote (Active, Senior and Corresponding) thereat shall constitute a quorum. If, however, such quorum shall not be present at any meeting of the members, the members entitled to vote thereat, present in person or by proxy, shall have power to adjourn the meeting from time to time without notice other than announcement at the meeting until such quorum shall be present. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified. The members present at a meeting which has been duly called and convened and at which a quorum is present at the time counted may continue to transact business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

Section 9. QUORUM AND VOTING - SPECIAL PROVISIONS. If the number of members present at a properly called meeting of the Members of the Society is insufficient to approve a proposed action, another meeting of the members may be called for the same purpose if the notice of the meeting stated that the procedure authorized by Section 5-206 of the Corporations and Associations Article of the Annotated Code of Maryland might be invoked and if by majority vote, the members present in person or by proxy call for the additional meeting. Fifteen days notice of the time, place, and purpose of the additional meeting shall be given by advertisement in a newspaper published in the jurisdiction where the principal office of the Society is located. The notice shall contain the quorum and voting provisions at the additional meeting which shall be as follows: The members present in person or by proxy shall constitute a quorum. A majority of the members present in person or by proxy may approve or authorize the proposed action at the additional meeting and may take any other action, including the removal of members or directors, which could have been taken at the original meeting had a sufficient number of members been present.

Section 10. VOTING. Each member shall be entitled to cast one vote on all matters coming before any meeting of the members. Unless otherwise provided by these Bylaws or required by applicable law, the vote of a majority of the members present at any meeting at which a quorum is present shall be sufficient to take or authorize action upon any matter to come before such meeting, including the election of directors and all other matters upon which action of the members is required or permitted by law, the Articles of Incorporation or these Bylaws. In the event that the secretary of the Society shall submit to the members by delivery of notice, in the manner provided for in Section 5 of this Article, any proposal upon which the members are required or permitted by law to act, including a proposal for the election of directors, the members shall have the right to vote on such proposal by mail according to such procedures as the secretary of the Society shall prescribe in such notice.

Section 11. PROXIES. At any meeting of the members, every member shall be entitled to vote in person or by proxy. If by proxy, such proxy shall be in writing, shall be dated and executed by the member or his duly authorized attorney-in-fact, but no proxy which is dated more than eleven (11) months before the meeting at which it is offered shall be accepted, unless such proxy shall, on its face, name a longer period for which it is to remain in force.

Section 12. VOTING BY BALLOT. Voting on any question or in any election may be viva voce unless the presiding officer shall order or any member shall demand that voting be by ballot. Members may also vote by written ballot by any means permitted by applicable law.

Section 13. REMOVAL OF MEMBERS. Members may be removed by any means permitted by applicable law.

ARTICLE III DIRECTORS

Section 1. GENERAL POWERS. The business and affairs of the Society shall be managed under the direction of its Board of Directors.

Section 2. NUMBER, TENURE AND QUALIFICATIONS. The Board of Directors shall consist of the president, past president, past president once removed, treasurer and secretary. At any regular meeting or at any special meeting called for that purpose, a majority of the entire Board of Directors may increase or decrease the number of directors, provided that the number thereof shall never be less than three and further provided that the tenure of office of a director shall not be affected by any decrease in the number of directors. Each director shall serve until the next annual meeting of members and until his successor is elected and qualifies. An individual must be an active member in order to qualify as a director.

Section 3. ANNUAL AND REGULAR MEETINGS. An annual meeting of the Board of Directors for the transaction of business that may be brought before it shall be held immediately before or after and at the same place as the annual meeting of members, no notice other than this By-Law being necessary. The Board of Directors may provide, by resolution, the time and place, either within or without the State of Maryland, for the holding of regular meetings of the Board of Directors without other notice than such resolution.

Section 4. SPECIAL MEETINGS. Special meetings of the Board of Directors may be called by or at the request of the president or by a majority of the directors then in office. The person or persons authorized to call special meetings of the Board of Directors may fix any place, either within or without the State of Maryland, as the place for holding any special meeting of the Board of Directors called by them.

Section 5. NOTICE. Notice of any special meeting to be provided herein shall be given by written notice delivered personally or mailed or by mail, fax or electronic mail to each director at his business or residence address. Personally delivered notices shall be given at least two days prior to the meeting. Notice by regular mail shall be given at least five days prior to the meeting. Notices delivered by hand, fax or electronic means shall be given at least two days prior to the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail properly addressed, with postage thereon prepaid. Neither the business to be transacted at, nor the purpose of, any annual, regular or special meeting of the Board of Directors need be specified in the notice, unless specifically required by statute or these Bylaws.

Section 6. QUORUM. A majority of the Board of Directors then in office shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, provided that, if less than a majority of such number of directors are present at said meeting, a majority of the directors present may adjourn the meeting from time to time without further notice.

The directors present at a meeting which has been duly called and convened may continue to transact business until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum.

Section 7. VOTING. The action of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

Section 8. VACANCIES. Any vacancy occurring on the Board of Directors for any cause other than by reason of an increase in the number of directors may be filled by a majority vote of the remaining directors, although such majority is less than a quorum. However, if that vacancy is one that is assigned to a designated office of the Society, and that office is filled, then the member holding that office assumes the designated place on the Board of Directors. Any vacancy occurring on the Board of Directors by reason of an increase in the number of directors may be filled by a majority vote of the entire Board of Directors. A director elected by the Board of Directors to fill a vacancy shall hold office until the next annual meeting of members and until his successor is elected and qualifies.

Section 9. INFORMAL ACTION BY DIRECTORS. Any action required or permitted to be taken at any meeting of the Board of Directors may be taken without a meeting, if a consent in writing to such action is signed by all of the directors and such written consent is filed with the minutes of the Board of Directors.

Section 10. COMPENSATION. Directors, as such, shall not receive any stated salary for their services, but, by resolution of the Board of Directors, a fixed sum as well as expenses of attendance, if any, may be allowed to directors for attendance at each annual, regular or special meeting of the Board of Directors, or of any executive or other committee thereof; but nothing herein contained shall be construed to preclude any director from serving the Society in any other capacity and receiving compensation therefore.

Section 11. REMOVAL OF DIRECTORS. At any meeting of the members duly called, any one or more of the directors may be removed by the members with or without cause, by a majority vote of the entire membership of record. A successor director may be elected by the members to fill the vacancy thus created. Any director whose removal is being considered by the members shall be given an opportunity to be heard at this meeting. Voting by proxy shall not be allowed for removal proceedings. Any person removed as a director of the Society shall also be deemed to be removed as a member of the Society at the same time.

ARTICLE IV COMMITTEES

Section 1. NUMBER, TENURE AND QUALIFICATIONS. The president may appoint members of an executive committee and other committees as he deems necessary. However, all members of the Board of Directors and the vice-president shall be members of the executive committee. He may delegate to these committees in the interval between meetings of the Board of Directors any of the powers of the Board except that no committee shall have the power to recommend to the members of the Society any action which requires membership approval.

Section 2. MEETINGS. In the absence of any member of any such committee, the members thereof present at such meeting, whether or not they constitute a quorum, may appoint a member of the Board of Directors to act in the place of such absent members.

Section 3. INFORMAL ACTION BY COMMITTEES. Any action required or permitted to be taken at any meeting of a committee of the Board of Directors may be taken without a meeting, if a written consent to such action is signed by all members of the committee and such written consent is filed with the minutes of proceedings of such committee.

The CSRS Nominating Committee shall consist of five members, including three who shall be appointed from the membership at large by the Executive Committee and shall serve for a term of one year, and the two immediate Past Presidents. The Past, Past President, if available to serve, shall be Chair of the Nominating Committee; if unavailable, the Nominating Committee shall select its Chair by majority vote.

Further nominations from the CSRS membership may be submitted to the Secretary up to 90 days before the annual business meeting.

The Nominating Committee will convene prior to the annual meeting and prepare a slate of officers to present to the membership at the Annual Meeting.

ARTICLE V OFFICERS

Section 1. POWERS AND DUTIES. The officers of the Society shall be elected annually by a majority of the members at each annual meeting of members, unless as otherwise provided in these Bylaws. An individual must be an active member in order to be elected as an officer. The Nominating Committee will recommend a slate of officers for consideration by the members at the annual meeting. Nominations for officers shall also be taken from the floor, in accordance with procedures adopted by the Board of Directors. If the election of officers shall not be held at such meeting such election shall be held as soon thereafter as may be convenient. Each officer shall hold office until his successor is duly elected and qualifies or until his death, resignation or removal in the manner hereinafter provided. Any two or more offices except president and president-elect may be held by the same person. Election or appointment of an officer or agent shall not of itself create contract rights between the Society and such officer or agent.

Section 2. REMOVAL. Any officer or agent elected or appointed by the members may be removed by the Board of Directors whenever in the judgment of a majority of the Board of Directors the best interests of the Society would be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed.

Section 3. STANDARD OF CONDUCT. Unless a court orders otherwise, no indemnification under Section 2 of this Article shall be made by the Society unless such indemnification is authorized in the specific case after a determination that the person seeking indemnification in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Society, and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to the proceeding, or (b) if such a quorum is not obtainable, or even if obtainable, and a quorum of disinterested directors so directs, by legal counsel for the Society in a written opinion.

Section 4. AMOUNT OF INDEMNIFICATION. If a quorum of disinterested directors exists, the Board of Directors shall, by majority vote of such quorum, determine the amount of the liability to be indemnified in a manner consistent with these Bylaws.

Section 5. ADVANCE PAYMENT. Expenses incurred in defending a proceeding may be paid by the Society in advance of the final disposition of such proceeding, as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the person seeking indemnification to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Society as authorized in this Article.

Neither the business to be transacted at nor the purpose of any meeting need be set forth in the waiver of notice, unless specifically required by statute. The attendance of any person at any meeting shall constitute a waiver of notice of such meeting, except where such person attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

ARTICLE X AMENDMENT OF BY LAWS

Proposed amendments to these Bylaws are to be forwarded in writing to the secretary at least three months prior to the annual meeting and forwarded by the secretary to the membership at least two months prior to the annual meeting.
